Unit 9 67 - 71 Vicars Street Mitchell ACT 2911

Description

The use of our Arrow Pontoons™ has given the 1650 Fisher a softer, drier ride without compromising safety and reliability.

A scratch resistant glass walk through windscreen makes access to the large anchor well easy and safe.

At the stern you will find our innovative Game Chaser Transom™ designed to make backing down faster, smoother and safer; it brings a new element to working prize catches as well as manoeuvring around marinas and enclosed waters.

Above the centrally mounted battery compartment you will find the standard bolt-on bait station complete with rod and cup holders as well as a large cutting surface and for the serious fisher, this is where the optional 66L live bait tank is fitted.

On either side of the transom, fold up seats give somewhere to take a break after chasing fish or enjoying water sports while offering more deck space and great water access when raised.

Comfort has been a focus through-out the design with cup and rod holders everywhere needed. Under the cuddy, optional squabs make for a comfortable refuge as well as more storage.

Add an optional ski and tow pole and the 1650 transforms into a capable water sports boat.

Our base package price includes all standard features as per the brochure, Dunbier Sports Trailer, Honda BF60 LRTL 4 stroke outboard, safety equipment, tie down, NSW boat and trailer registration, on water tuition.

Package Price \$39990 (Plus Options)

For a complete list of standard features and available factory options, please download the brochure below.
